WHY

UI ENTERPRISES?

UI Enterprises is one the leading manufacturer and exporters of terry towels, knitted and terry fabric, and textile made-ups.

Established in 2007 & within a short span of time UI Enterprises became one of the reputed organizations. Our main export markets are the USA and western Europe. We have in-house facilities for knitting, weaving, bleaching and dyeing, designing, and stitching processes. Quality and commitment are our success.

UI Enterprises feels confident in its ability to supply Institutional, Home, and Automotive Textiles to serve the needs of our customers. We supply quality products and services for companies to supply Hospitality, Healthcare, Construction, Metalworking, Energy, and Linen companies throughout the United States and beyond.

We are also a producing quality recycled wiping Rags and new industrial cleaning rags for the Paint companies, oil & gas sector, shipyards, automobiles industry, worksites, metal working, and transportation as well Garage and janitorial sector. Our manufacturing operations include sorting, cutting, stitching, & packing, & shipments.

Since 2007, we are in this industry, and quality is the main focus for our company hence we take a lot of care of all the products while processing. Our experienced staff supervisors have a strict check on the quality starting right after procurement of raw material until the final dispatch of our products to our clients.
